## **Invitation to the 2nd regular assembly of the swiss f18ht association**

Dear f18ht-member,

Santa has left already and many sailors have stowed away their precious boats! We look back on a eventful sailing year 2006, for the first time on European ground a 18ht cup was carried out!!!

For the next year a few changes concerning the activities and the presidency are planned (see below). Therefore we would like to invite you to the 2<sup>nd</sup> assembly:

**Friday evening, 9.2.2007 at 8 o'clock in Bern Bubenbergplatz 4,  
Burgerspital.  
(Big iron gate at the Bahnhofplatz, main station in Bern)**

Following subjects shall be discussed:

- 1) Welcome
- 2) Approval of last years protocol
- 3) Review 2006, anual report by the president
- 4) Finances
- 5) Elections:
  - After 2 years of intensive work two members of the board are willing to offer their position. Luckily we found two members of the swiss 18ht association to close the gap:

  - Andre Reymond (regattachief) shall be replaced by Martin Schori ( Ventilo sailor, Thun)
